Notice is hereby given that the Town Council of the Town of Herndon, Virginia will hold a public hearing on Tuesday, November 23, 2010 at 7:00 p.m. in the Ingram Council Chambers located at 765 Lynn Street, Herndon, Virginia on the following measures intended to be proposed for passage:

Consideration of a resolution to authorize one application to the Commonwealth Transportation Board for Transportation Enhancement Program funding for Federal fiscal year 2011-2012 for the Historic Herndon Revitalization Streetscape Project. The purpose of this downtown streetscape project is to improve safety and intermodal circulation as well as to facilitate access by drivers, pedestrians, bicyclists, and transit riders to commercial, institutional and recreational destinations while retaining the historic and small town attributes within the downtown through landscaping and streetscape enhancements. This grant application is to supplement existing town funds as well as previously approved federal funds directed towards this project. In accordance with the Commonwealth Transportation Board construction allocation procedures, it is necessary that a request by resolution be received from the local government in order that the Virginia Department of Transportation may program a transportation enhancement project in the Town of Herndon.

Persons having an interest in the above are invited to attend and to state their opinions. Full copies of the above applications are on file in the Office of the Town Clerk located at 777 Lynn Street, Herndon, Virginia and may be viewed Monday through Friday between the hours of 8:00 a.m. and 5:00 p.m.
